

# Scarf Song

Scarves up  
Scarves down  
*(three times)*

Turn em round and round and round  
Turn em round and round and round

Scarves wide  
Scarves across  
*(three times)*

Then you crumble them up  
Into a tiny little ball  
And then you think they're lost!

*(Oh no! Where'd it go?! I can't find it!)*

You're gonna shake, shake your scarf  
You're gonna shake, shake your scarf

You're gonna walk with your scarf  
And You're gonna run with your scarf  
You're gonna drop them, and pick 'em right up  
And have some fun with your scarves!

*(REPEAT)*
